

What:

IAG is the *exclusive* group for inventors, advisers, and friends! Our association is a great place to refer friends and clients who have inventions and dreams stuck in their heads. Get on our e-newsletter list for inventors (and friends of IAG) to receive helpful resources, event notices, and announcements of general interest to inventors and entrepreneurs.

Who:

- 70+ people gather once a month to network and listen to a presentation from an expert in the area of product development, manufacturing, distribution or business development
- Sometimes we have inventor/entrepreneurs, with products on the market, share their journey and we learn their lessons from successes and mistakes. The second half of the meeting includes a Q&A session on a related range of topics.
- Networking among our members and guests (before and after the meeting) provides a great deal of information, experiences, and resources.

When and Where:

- We meet the 4th Saturday of the month.(except December when it is the 2nd Saturday)
9:30 am: Room set up, sign in, and networking (all members and guests welcome)
11:00 am: Presentation begins
1:00 pm: End of formal meeting and informal lunch and networking, and learning
- Ryan's Grill & Buffet Restaurant (7045 Jimmy Carter Blvd, Norcross, Ga)
**If you're not on our e-mail list, please confirm our meeting location before coming. We are quickly growing out of current location and may move to a new location in the winter of 2009*
